Congress serves as civic forum

THIS PICTORIAL ISSUE of The Campbell Press which makes its appearance at this time each year has become one of the top features of the year, as far as the paper is concerned.

Many of our readers have also indicated they are also pleased with it.

Individuals on the staff of The Press sort of enjoy, in a nostalgic way, going through the back issues and choosing the pictures they think should be used in the pictorial review of the year.

Obviously differences in opinion arise as to the relative merits of the various pictures that have appeared in the past 52 issues.

And despite the fact that we really try to jam The Press with photos, in the last issue of the year, many worthwhile pictures must be left out.

There just isn't enough space to go around.

And that's when the trouble often begins at our joint.

As many of you are aware, most members of our staff at The Press are not noted for their retiring natures. So, you might say, the discussion over pictorial priorities sometimes waxed a trifle warm.

And as usual, according to a few, some of the better photos didn't make the grade in this issue while some of the poorer shots, in their opinion, got top billing.

So, as usual, you win a few and lose a few.

Admittedly some of the pictures were chosen because they fitted the space available.

Until we hit on this photo bit, for many years we used to painstakingly write a review-of-the-year. Not only was it time-consuming but it did not have the appeal of the pictorial review.

And, in addition, a written review did not allow for staff participation.

AND A HAPPY NEW year to you, too.

SOME OF YOU MIGHT recall that in this column some time ago we suggested that your community newspaper was too often taken for granted.

The column indicated that it was one of the crosses apparently that we must bear. But we didn't have to like it.

Our point was that individuals and organizations often do a lot of bowing and scraping and kow-towing to outside news mediums and sort of leave their own community newspaper dangling on the vine.

Recently we received a note from Jim Hughes, now serving in Vietnam. His comments on being taken for granted was much appreciated by us.

We are pleased to share Jim's note with you:

"Mr. Vierhus:

"I would like to say that when you wrote about the people of Campbell taking this paper for granted, it hit me 'way down deep.

"I've been overseas for 2½ years now and I've been receiving The Campbell Press all this time and I for one have not, and I hope I never do, take this paper for granted.

"This paper is a part of me. It's my home town. I've grown up with it.

"Now there's a war going

Editorial

HAPPY NEW YEAR !

During the next 12 months, many of the dreams and plans that have existed only as dreams or on the planning board will become a reality in this community.

Campbell is on the brink of its greatest era of progress in its history and the year 1969 will see many of the projects completed that are to make this a better community in which to live and work.

But at the end of 1969, just as is the case now at the end of 1968, the year that is ending, many of us will be disappointed because some of the goals that had been set for the year were not reached.

Yet we feel certain that during the next 12 months there will be tremendous accomplishments in this community which will set the year aside as a banner year.

For the first time since the city was incorporated in 1952, the City of Campbell will lead the way in building. The year will mark a major milestone in civic construction.

Shortly after the first of the year, for example, construction will start on the long-awaited corporation yard on the creek at Dillon Ave. This project will cost $160,000.

It is also expected that the contract for the city's fire station No. 2 on Sunnyoaks will be let in February. This project is estimated to cost more than $300,000.

Thus in just two months the city will have contracted for more construction of city buildings (almost $500,000) than has been expended in all the previous 16 years of this city's existence.

Although no actual construction work is expected to start on the $1,200,000 civic center during the next 12 months, the acquisition of the necessary land will be completed so that the new civic center can get underway in 1970.

Agreements have been reached between the city and the various property owners for at least two-thirds of the parcels that will be required for the civic center.

The architect is expected to complete the plans for the city hall, library and police administration building in 1968. So by the end of 1970, Campbell will have a new and modern civic center.

There will be major street projects underway in 1969.

In fact the biggest street project in this city's history expected to total more than $500,000 (the improvement of Hamilton Ave., Bascom and part of Campbell Ave.) is in the final stages of planning.

What we are attempting to point out is that the City of Campbell in 1969 will be in the forefront for the first time in 16 years in local construction activities.

But private enterprise also is expected to accelerate its pace. Outstanding projects now on the drafting boards indicate that 1969 in Campbell will be the biggest construction year in all history.

It is expected that the Fred Sahadi project at Campbell-Bascom including an 18-story tower will be in its final stages of planning and some of the construction will begin in 1969.

Ira Kirkorian, another major local developer, is also expected in 1969 to expand his already considerable holdings in town.

During 1969 it is also expected that the Gomes Ranch between Hamilton and Latimer will be developed into a major residential and commercial center.

Rumors have it also that the Sunsweet operation on Campbell Ave. has been sold and will be developed.

And many other developers have plans brewing.

So 1969, no matter how you look at it will be a big year for Campbell.

For probably one of the few times in the last 12 years since your editor has been writing year-end editorials, we have refrained from saying anything about what is in store for downtown Campbell Ave. during the next 12 months.

Although the so-called two-loop concept has been basically approved by city officials, we do not expect any major break-through next year, as far as the street is concerned.

And we have a sneaking hunch that at this time next year, we will probably say the same thing about that much abused street.

As we review the past 12 months in this pictorial issue, and realize how much has happened in one year, we also realize that hundreds of events occurred that were not even anticipated.

But still there is nothing like looking ahead.

So.....Happy New Year.

Thanks, Jim.

Your letter was one of the nicest fringe benefits we had all year.

ONE OF THE MAJOR highlights of the year, as far as this community is concerned, was the proposal in April by Fred Sahadi for a multi-story tower at Bascom and Campbell avenues of which the Campbell city hall would occupy five floors.

Sahadi's invitation to the city was subsequently withdrawn but indications are that the 18-story tower office building is still going to be constructed.

In fact, the plans for the structure have already received the approval of the Planning Commission.

We are pleased that Sahadi and his associates are going ahead with the tower, for it will be an impressive feature of this city's sky-line in the future.

The description of the tower filed with the application was also quite impressive, although we had to run to the dictionary to find out what "spandrel" meant.

"....the height of the building is to be 234 feet and the type of construction is steel frame with exterior walls composed of solar bronze vision glass and opaque black spandrel glass divided by bronze anodized mountings. The ground floor columns and walls are to be precast concrete."

DIAMOND JUBILEE...IT'S hard to believe but The Campbell Press will be celebrating its 75th anniversary in 1969.

So, the annual progress edition, which is scheduled for the first week in February will have the jubilee theme throughout.

Carl A. Winther, a well-known public relations and advertising man in the area, will be working with the regular staff members in preparing the "jubilee progress edition".

Last year's 30-page progress edition set a record for this paper.

Carl thinks we can surpass last year's job in our jubilee presentation.

WE CONCEDE THAT there have been a number of changes made in the area since the first Campbell Press made its appearance before the turn of the century.

Even the name of the paper has been changed. The predecessor to The Campbell Press was known in the beginning as "Campbell Weekly Visitor".

Unfortunately the early issues of the newspaper were not saved. The original issue is framed and hangs in our office but the annual files of the paper were not "bound" until the late '40's.

Although there are many loose papers floating about from the early years at our joint, we have yet to find any of the very early years.

We are going to try to dig out pictures and stuff of early Campbell to use in some manner in our jubilee edition.

We would appreciate the cooperation of the old-timers in this respect.

Council meets on employee salaries

Campbell's City Council will meet for the first time in 1969 on Thursday, Jan. 2, in a special session to tackle the salary problem of employees.

At the last meeting in 1968 (Dec. 23), the Council scheduled the special meeting.

The first regular meeting will be on Monday, Jan. 13, which is expected to be lengthy inasmuch as six public hearings have already been set for that date.

On the Dec. 23 meeting, the Council awarded the contract for the construction of the corporation yard to Pete Cristich & Sons for $158,440.

The Council also accepted the agreement with the Equitable Leasing Co. of Burbank, Calif. for financing the project. The leasing firm will underwrite the entire contract and the city, in turn, will pay the firm over a five-year period.

The unique financial arrangement allows the entire corporation yard to be built at one time instead of on a piece-meal basis.

William Garnett, president of Equitable Leasing, was present at the meeting and commended the Council for its action. He said that Campbell was one of the few cities of its size to take advantage of the lease-purchase method in constructing civic projects.

The Council also approved the plans for the Fire Station No. 2 that will be built on Sunnyoaks. The city will advertise for bids next month. Bids will be opened on Feb. 6 and the contract is expected to be awarded on Feb. 20.

The fire station which is expected to cost more than $300,000 is expected to be completed by next fall.

The main feature of the Jan. 2 meeting will be the adoption of the pay plan for the employees for the year. Members of the employee association and the city manager have worked out a tentative proposal that will be presented to the City Council on Thursday.

Salaries for city employees are set annually in January each year rather than at budget time.

In addition to the salary schedule, the Council is expected to adopt amendments to the general plan for Specific Area II which includes the downtown area and the proposed loop system.

One of the main points that must be decided is where the loops are going to terminate.

Thieves break windows in local stores

Another Campbell Ave. store had its front window broken during the last week. This is the second time in two weeks that Campbell stores have suffered broken windows and merchandise lost. On Christmas eve the front door window of Louanna Shop, 422 E. Campbell Ave. was broken, apparently by a large chunk of cement, the door then opened and merchandise disturbed. A full list of missing merchandise was not available until inventory could be taken.

The Winchester Drive-In marque sign at 535 Westchester Dr., will just have to get along with a few letters and the signs reading "also", following the theft during the week of 56 of the large letters Valued at $5 each they were valued at $310. Two male juveniles were observed removing the letters from the marque but were not apprehended at the time.

The Coventry School, 1125 W. Campbell Ave. was broken into over the holidays and $7 in loose change removed from the principals office. A window was broken to gain entrance.

THERE ARE NOT MANY Campbell institutions or business firms around today that can trace their roots back to before the turn of the century or even for 40 years thereafter.

The Campbell Press, the First Methodist Church, the Congregational Church, the Country Woman's Club and the schools.

Then let your voice drop.

ONE OF THE MOST REmarkable achievements, in our opinion, at Christmastime in Campbell year after year is the unheralded work of Campbell Kiwanis Club.

This year more than 30 needy families received baskets that were filled because of liberal donations of Kiwanians.

The "director" of the Kiwanian Christmas project is the Rev. Ben Gould who annually accomplishes a fund-raising miracle at just one club meeting which just has to be some sort of a local record in $$ per minute.

This year more than $600 was raised by Ben in the time allotted him.

-0-

THE DONATIONS ARE in the form of "fines" levied by Ben. Over the years he has learned to charge more or less what the traffic will bear. Some of the "reasons" he gives to his victim are classics, although the victims still scream.

Club members have ample warning that Ben is taking over. But it won't do any good to stay away from the meeting. The club has voted to "fine" members who are absent.

In most instances it is cheaper to come to Gould's clambake in person.

It is a marvelous way to do a wonderful job. It is as painless a way as is possible to raise money and the members really cooperate, even those who give the moths in their wallets their annual airing....

Letters to the Editor

The following was submitted by Goldie V. Taylor and seems appropos of the season.

THE DAY AFTER CHRISTMAS

'Twas the day after Christmas, and o'er everything,
Were boxes and ribbons and paper and string...
There were letters and cards, from Heavens knows who,
From folks you forgot, who sent them to you.

It will take a month to catch up I guess,
The washing's not done...the house is a mess,
The company's all gone, I've cooked 'till I'm weak,
Talked, laughed and shouted, 'till my voice is a 'squeak'.

But say, it was worth it, soon I'll forget,
All the work and the worry, the fuss and the fret
And will be just as happy to greet with a cheer,
The folks and Saint Nick, when it's Christmas–next year.

School dance benfits sick

With charity in their hearts, and music in their feet, high school students from the west valley will convene at Prospect High School cafetorium Thursday, Jan. 2, from 8-12 p.m.

Motive for the convocation is a benefit dance, cosponsored by the school's senior class and its PTA. Proceeds will be deposited in First Valley Bank in a fund that will be used to purchase a kidney machine for William Clements, Jr., a young Santa Clara resident who must use the machine frequently in order to stay alive.

Interest in the campaign has been spurred by KLIV, a favorite local radio station of teen-agers.

Music for the casual dance will be donated by The Gilded Cage, according to Scott Corbett, class president, Denise Batis, student council member and Kenny Ruano, of the band.

Nine other scouts also received recognition for advancement during the recent Court of Honor. The presentation followed the annual pot luck supper, which was attended by 75 scouts, parents and guests.

NOW IN VIETNAM–PFC Gary Ziettlow, son of Mr. and Mrs. Marvin Ziettlow, is now stationed with the Hdqr Battery, 12th Marines, Third Division is Dang Ha, Vietnam. A 1967 graduate from Campbell High School, Gary was home in November before being sent overseas. He recently completed basic special training school for Field Wireman.

There IS a SANTA

Santa Claus appeared in the office of The Campbell Press this week.

We didn't recognize him. His beard was missing. His hair was brown. His clothes were ordinary.

In fact, if we hadn't queried him about his interest in the last issue of the Press, calling attention to the Santa who was seen at San Tomas Expressway and Budd, we wouldn't have found out his true identity at all.

He's only Santa at Christmas-time. The rest of the year he poses as a high school freshman, using the alias of Mitch Uharriet.

But he's thinking of using one of his other identities this spring.

His ears will have to grow some though. We'd never believe a short eared bunny.

The Social Year in Retrospect

The Campbell social scene was active during the last year with many new faces being installed as officers of the various lodges and service organizations. As the year draws to a close, The Campbell Press takes a quick look over the past and at the same time, looks forward to the future when The Press will again present the many activities of all the Campbell residents.

In JANUARY 1968 the Ada Rebekahs installed Mrs. Betty Richardson as Noble Grand, with a complete corps of new officers to guide the organization through the coming year. One of the highlights of January was the spring fashion show entitled "A Toast to Fashion" put on by the St. Lucy's Mothers Guild.

FEBRUARY saw a reunion of Sunol School graduates. Over 450 old grads returned to greet each other and compare notes on the passing of the years. February also saw Diane Bruce installed as Worthy Advisor to the Campbell Assembly of International Order of the Rainbow, No. 235, and a fashion show was successfully put on by the Women's Service Club of Campbell.

In MARCH Campbell residents enjoyed the Westmont High School pops concert and the Campbell 4-H group entertained their dads at a dinner party meeting.

APRIL was a momentous month which saw the first meeting held to discuss the landscaping of the little corner lot at the intersection of Alice and Winchester. Also in April Miss Carol Benbow, daughter of Mr. and Mrs. S.R. Benbow, 403 Kings Ct., received the title of Miss Teen Pacific Coast, and the West Valley Historical Society presented an open house and tour of the various mementoes of a bygone day at their museum located in the Campbell Country Woman's Club building.

Mrs. Frank Bush took over the gavel of St. Lucy's Mothers Guild in MAY, and the annual Spring Concert was enjoyed by the parents and friends of the students of the Campbell Elementary school. St. Lucy's Spanish Fiesta also enjoyed a good turnout.

Mrs. William Cave was installed as president of the Country Woman's Club in JUNE and also in June, winners of the art contest sponsored by the CWC were announced.

Also in JUNE Mrs. Werner Raab retired as a teacher from the Moreland School District after serving as a teacher for 18 years.

JULY was an eventful social month for the Order of Eastern Star and the Campbell JayCees. Mrs. George Van Sickle was installed as Worthy Matron of the O.E.S. and Jerry Gomes took over as head of the JayCees at the annual installation luau held at the Al Blaine home. A dinner dance for Campbell Little League, and the Orchard City Grange initiating 17 new members also rounded out the social scene.

In AUGUST Jonelle Ekstrom, daughter of Mr. and Mrs. John Ekstrom, 835 Sweetbriar Way received her wings with United Air Lines and the Campbell JayCees turned the calendar upside down by celebrating Christmas in August.

SEPTEMBER saw the Tony Yerkovichs, 453 Carlyn Ave., celebrating their 59th wedding anniversary.

In OCTOBER the St. Thomas of Canterbury parishioners enjoyed their first family picnic, the Bucknall PTA sponsored the "Spook Alley" in connection with Halloween and the Basic English Class at the Congregational Church had their unique "Feast of the Nations".

NOVEMBER was an eventful month for the Orchard City Grange No. 333. They held a party to celebrate the "Burning of the Mortgage". Also in November various organizations were engaged in putting on their yearly bazaars, including St. Lucy's WSCS, the Grange and the Moreland School.

DECEMBER was a time for parties at the schools, programs at the churches and the installation of Karol Lake and Marcus Greathouse as Worthy Matron and Worthy Patron of the Campbell Chapter 553 of the Order of the Eastern Star.

CHRISTMAS EVE BAPTISM--The Chapel at The Good Samaritan Hospital of Santa Clara Valley was the scene of a Dec. 24 christening of a small, new Campbell resident, Lisa Marie Colella. The service was performed by Chaplain Lawrence K. Whitfield.

Lisa Marie was born Dec. 21 in The Good Samaritan Hospital. She is a daughter of Mr. and Mrs. Mark Colella of 608 Laura Dr., Apt. D, Campbell.

HONORED

Winifred L. Yabe, a Campbell High school district graduate last year, was one of the 465 freshmen presented with certificates honoring their outstanding scholarship in high school by the University of California, Berkeley campus.

Holiday Happenings

Although Christmas has gone, many Campbell residents are still enjoying the memories of the Christmas holidays and making plans for the New Year.

Among those looking forward to a New Year weekend family reunion are MR. AND MRS. D. J. DECKER, 198 Alice Ave. They are expecting their daughter and son-in-law, Mr. and Mrs. LARRY LEWIS, the former BONNIE DECKER, of Campbell, and their three children. The Lewis family will be coming from Reno, Nevada to spend the weekend with the Deckers.

MR. AND MRS. L. De FREECE, 985 Hacienda Ave. enjoyed a vigorous Christmas with their three year old son, and are planning on spending a quiet New Year at home, as are Mr. and Mrs. JAMES F. DeLAUDER and their three children. The DeLAUDER'S of 631 Kenneth Ave., enjoyed Christmas day with the grandparents, Mr. and Mrs. JAMES L. DeLAUDER of Saratoga.

The DON F. DeBORD family, formerly of 481 California St. have moved to Santa Cruz.

Mr. and Mrs. DONAVAN EAGLE, 180 Friar Way, enjoyed an old-fashioned get-together at the Santa Cruz home of Mrs. Eagle's parents, MR. AND MRS. ROBERT T. BUTCHER. Five families were together at the grandparents home and the nieces and nephews were all properly awed when Mrs. Eagle's 12 year old brother, MICHAEL played Santa Claus. The Eagle family includes two children, a 16 months old baby and an over three – who was old enough to start building memories.

Spending the New Year's Eve in San Jose will be Mr. and Mrs. NICK DeCARLO who will be visiting with his brother and sister-in-law, Mr. and Mrs. JOHN DeCARLO and their son and daughter-in-law, the JOHN DeCARLO Jrs. from Morgan Hill.

Mr. and Mrs. ROBERT CUPP, the new proprietors of the soon-to-be-opened GASLIGHTER THEATRE in Campbell (the former Campbell Theater on Campbell Ave.) enjoyed Christmas visiting with grandparents, Mr. and Mrs. MAURY FLACK who drove up from Salinas and the great-grandmother MRS. GOLDIE THORNTON. In between visits the Cupps are busily working on the theatre interior and report that the remodeling on the inside is progressing at a great rate and things should be ready for their February grand opening.

ANTHONY GIL, of 161 N. Llewllyn, a Campbell postman for the last 14 years, remarked that from his point of view as a mailman, the volume of Christmas mail delivered this year was the lightest he had ever seen. Could be the new six cent mailing for cards had something to do with people curtailing their card exchanges. Mr. and Mrs. GIL and their two children, JOHN 5, and STACY 8, had a Christmas eve gift opening with Mrs. Gil's brother and sister-in-law, Mr. and Mrs. JACK FURLEY from Morgan Hill over for the occasion.

Their New Year Eve plans are for staying at home and "staying off the highways".

When the closest relatives are in Iowa and Indiana, the holidays add up to a quiet Christmas spent at home, which is just what Mr. and Mrs. JACK GIESLER of 1375 Campbell Ave. did. Their two children are both in high school and a quiet New Years Eve is also being planned.

Neighbors on Llewellyn Ave. have a wonderful way of greeting the New Year in. On the short street approximately 10 families will be spending the New Year visiting each other in sort of a Progressive New Year's Eve. According to MRS. WILBUR CLARK, the block party has become sort of a tradition during the last 10 years, and if newcomers move in, they are soon incorporated into the neighborhood affair.

OCTOBER

BEAUTIFUL BUTTERFLIES--Miss Miho Kobayashi and Miss Junko Hasumi pose in native costumes for a UN Day celebration. The two little maids from Japan are working with the Santa Clara Swim Team with their sights on the 1972 Olympics and are concurrently studying English at a Metropolitan Adult Education class at the Campbell Congregational Church.

These two helped celebrate U.N. Day "Feast of Nations" in October.

JINGLE BELLS

Jingle bells were heard all over the city hall during the holiday season. A quick peek in on the female employees found that their stockings were all adorned with Christmas garters, complete with bells, presented to each one by police secretary BETTY ROBBINS.

We hope the joy and spirit of the new year remains with you all through the year.

SPORTS FANS!

I BET YOU DIDN'T KNOW

By Al Salciccia

Do you know how many major college football teams in the last 40 years have been able to go through a season unbeaten, untied and UNSCORED ON? . . . Only three teams have done it in all this time . . . They were Colgate in 1932, Duke in 1938 and Tennessee in 1939, and no team has been able to do it since then

* * *

Here's an oddity . . . Football is always referred to as the "pigskin sport", and the football itself is often called the "pigskin" - but, did you know that footballs aren't made from pigskin anymore! . . . Most footballs today are made from cowhide.

* * *

Which are the largest football stadiums in America? . . . Well, there are only three which can seat more than 100,000 people... Can you name all three? . . . They are the Rose Bowl in Pasadena, Calif. . . . The University of Michigan Stadium in Ann Arbor, Mich. . . . and, Municipal Stadium in Philadelphia where the Army-Navy game is played.

This is the first appearance of "I Bet You Didn't Know", presented by AL SALCICCIA of Salciccia's Hancock Service at Campbell and Union Avenues.

This column will appear each week for the next 12 months.
